Invitation Letter

Dear Dr. Jingmin An,

I am very pleased to learn that you will attend the 30th International Conference on Knowledge-Based and Intelligent Information & Engineering Systems (KES) in Dublin, Ireland, from September 9 to 11, 2026. I would like to take this opportunity to invite you, Dr. Jingmin An (Male, Date of birth: November 12, 1992), to visit our interdisciplinary physics group in Fribourg, Switzerland, from September 12 to 16, 2026, after the conference mentioned above.

It will be a good opportunity for us to exchange research and educational experiences, while also providing a chance to explore potential collaborations in complex network theory, including its applications in supply chain networks, agricultural technology diffusion, financial risk contagion, social network analysis, and organizational behavior.

I understand that the cost of your visit will be covered by Dongbei University of Finance and Economics, China. I am looking forward to your visit and am confident that it will further strengthen our collaboration. If you have any questions, please feel free to contact me.

Yours sincerely,

Prof. Yi-Cheng ZHANG
Head of the Theoretical Interdisciplinary Physics Group
Faculty of Science and Medicine, Science Section
Department of Physics, University of Fribourg
